## Court Accepts Late Petition, Tells Hopefuls

Student Court in a special meeting yesterday released the complete list of all election candidates and voted to accept Johnny Arreola's petition, although it was not turned in on time.

In an unanimous decision from members present, the court accepted Arreola's petition because of "extenuating circumstances," according to Stan Croonquist, court chief justice.

Arreola pleaded that because of class conflicts, an out-of-town appointment and a burned out spark plug, he was unable to meet the 4 p.m. Tuesday petition deadline.

Candidates entered another lap of the election race yesterday as the complete list of eligibles was released. Forty-four hopefuls were okayed by a check of petitions. They are:

President: Jim Cottrell, Don Hubbard, John Marken and Hank Ramp.

Vice president: Ray Freeman, Jerry McCarthy and Vern Perry.

Corresponding secretary: Lynn Losey.

Recording secretary: Judie Brooks, Gloria Brown, Phyllis Carter, Pat Hubbard, Joan Odell and Allen Sherry.

Treasurer: Jim Faletti, Edwin Klein and Jim Morley.

Male representative at Large: Allan Behr, Bill Frizelle, and Bob Weiss.

Female Representative at Large: Kay Daly, Barbara Fisher, Sara Thompson, Gretchen Umland and Kay von Tillow.

Senior representative: Ray Bitterman, Dale McPherson, Mary Platt, Leo Fancey.

Junior representative: Dick Arlington, Joe Clark, Sally Ferris, Judy Fogarty, Lou Hamilton, Elizabeth Heath, Kathy Ogilvie and Bill Squires.

Sophomore representative: Sheila K. Emerson, Harrison Gibbs, and Don Ryan.

Male senior justice: Johnny B. Arreola, Jr., Bill Bryan and Chuck Bucaria.

Female senior justice: Teddy Gehr.

## WCNS Sign-up Now

Registration for sessions of the West Coast Nature School will begin at 8:30 a.m. Monday in Room S-123, according to Dr. Gertrude W. Cavins, registrar and secretary of the school.

First session is scheduled for Sequoia National Park on June 19-25. There will be an organized college camp group for this session.

Approximately 60 students will be permitted to attend, Dr. Cavins states.

## World News Briefs

### Senator Knowland Predicts New Red Demands for Islands

WASHINGTON, April 28 (UP)—A Far East policy rebellion led by Senate Republican Leader William F. Knowland cast chilling shadows yesterday on President Eisenhower's welcome hunch that peace prospects are brightening.

He said the Reds would demand the offshore Matsus and Quemoy islands as a "down payment" and ultimately demand Formosa.

#### NO PANIC

NEW YORK, April 28 (UP)—The National Foundation for Infantile Paralysis said yesterday it had received no evidence of panic or refusal of Salk Anti-Polio Vaccine as a result of Wednesday's

## Non-Residents May Pay More; \$180 Tuition Increase Probable

A \$180 fee will be attached to the tuition of all out-of-state students attending a state college next fall if a bill which passed the State Assembly Education Committee yesterday becomes law.

The proposed law will affect approximately 218 students now enrolled in SJS if it passes the three remaining steps, the Assem-

bly Ways and Means Committee, the Assembly, the Senate Finance Committee and the Senate.

"SJS is not too anxious to have the out-of-state fees go into effect for two reasons," E. S. Thompson, college business manager, said yesterday. "We don't like to penalize the out-of-state students, and secondly, we find it difficult to determine who is a non-resident and who is not."

Such a law was in effect before the war, according to Thompson. A non-resident student is a minor whose parents live out of the state or a voter whose registration is out of state.

## The Unexpected?

"The alarm clock went off too early this morning, just like the astrologer's book said," complained the bleary-eyed sand flea, "and my guide says that the unexpected may happen today."

"Unexpecte dis right!" sniffed a drenched sandpiper, "it should have been sunny today and instead it's drizzling rain. UP says that it will clear by tonight, but that it will be chilly this evening."

## Residents Respond To Paper Drive

"The residents of San Jose have really responded to our paper drive," Don Ryan, Freshman Class president, said yesterday displaying the stacks of paper on the Phi Sigma Kappa house lot.

Today, the last day of collection, the freshmen will collect papers in the general area inside the square formed by McKee road, Reed street, White road and Fleming avenue.

## Budget Problems Seen for Library

Dr. Henry C. Meckel, chairman of the College Library Committee, presented the problems of new library provisions for future budgets to the council during its meeting yesterday afternoon.

Miss Joyce Backus, head librarian, furnished council members with a proposed set of standards for the size of state college libraries which has been adopted at the librarians' meeting April 5.

In other action, the Faculty Load Committee presented suggested resolutions for discussion at the next meeting.

Also, the Election Committee presented a schedule for the coming council election, and President John T. Wahlquist reported on recent developments in the state on problems of admissions and other related subjects.

## Applications Filed For AWS Offices

Eighteen applications have been filed for AWS offices, according to Betty Wiser, AWS president.

Candidates for the offices are, Ann Dutton, president; Donna Larson, Allene Hammond, Marsha Hodgson and Diane Cimolino, first vice president; Claire Hightower, JoAnn Johnson, Jacque Wood and Jerry Drake, second vice president; Claudette Marquie, Carolyn Spillane, Pat Craven, Peggy Wooden, Carole Luby and Joan Oesser, secretary; Bonnie Soe, Joan Healy and Ramona Thorson, treasurer.

All candidates will be introduced at the "Cat's Meow" barbecue on Wednesday, May 4. Elections will be held May 6 and 7.

## CBA Expanded To Eight Teams

### Sophs Poll 550; Rally Favored

Approximately 550 students were polled by the Sophomore class Wednesday, to decide why SJS students do not vote during student body elections. The results of the poll were as follows:

1.) Over one half of the students polled did not vote in the last election. 2.) Only 48 per cent of those polled had their votes decided by advertising. 3.) Personal acquaintance was the reason for 52 per cent of those voting. 4.) Over half of those polled said that the days for voting were not publicized enough and the information for voting was not explicit enough.

Greater student participation and new ideas in student government were accepted as the main ideas for student platforms. The idea of a two party system was voted down, 2-1.

The main comment made in the poll was the necessity of getting to know the candidates and their platforms. Students seem to feel that this could be accomplished best by having an election rally.

Co-chairmen for conducting the poll were Joe Clark and Sally Ferris.

## Assembly Gets Bill To Change School Control

A board similar to the University of California Board of Regents will control state college affairs instead of the State Board of Education if a bill introduced in the Assembly Wednesday by Assemblyman Donald D. Doyle (R-Lafayette) is passed.

Under the present conditions, the State Board of Education handles college affairs on an average of once a year over a four year period. Doyle thinks this is insufficient and the new system would be more to the advantages of the colleges as a whole. He expects opposition from Roy E. Simpson, state superintendent of Public Instruction and Chief Administrator of all state colleges.

The bill will be heard by a committee before it comes up for a full assembly vote, and then will pass onto a Senate committee and the Senate floor.

## Report to Daily

Candidates entering in the May 5-6 election race are asked to report to the Spartan Daily Office this afternoon for interviews. These will consist of qualifications and aims.

## APhiO's To Supervise Next SJS Blood Drive

Alpha Phi Omega fraternity was handed the responsibility of supervising the May phase of the Campus Blood Drive Tuesday, according to Bob Peeks, newly-appointed chairman of the APhiO undertaking.

The new phase will be aimed specifically at non-Greek organizations. Peeks stated, "We aim to top last month's total of 214 accepted contributors." The fraternity plans to have representatives visit all student living groups to get maximum participation.

May 9 is the day for donations. Peeks added that applications will be accepted up to and including the contribution day.

In the last phase, directed at sorority and fraternity participation, 540 students signed to give

## Pepperdine, Loyola And Fresno State Admitted to Loop

Fresno State, Pepperdine and Loyola of Los Angeles were admitted to the California Basketball Assn. yesterday at a meeting of CBA members in Santa Clara.

The addition of the three schools to the present league, which includes San Jose State, USF, Santa Clara, COP and St. Mary's, will make the conference an eight-school loop next season.

The eight teams will play a double round-robin schedule. The five northern teams will make one trip a year to Los Angeles to meet Pepperdine and Loyola in a two-game series. The southern schools will find it necessary to make at least two trips a year to the San Francisco bay area.

Applications for admission to the conference were made by several schools at the last regular meeting of the CBA, but the three teams were accepted because they best fit into the league.

San Jose scored victories over both Fresno State and Loyola last season. The Spartans didn't play Pepperdine.

Upon entering the league, the new schools agreed to abide by CBA eligibility rules in all of their conference contests.

## Campus Chest Drive Finished

Members of Gamma Phi Beta, Alpha Phi, and Sigma Kappa washed 88 cars yesterday afternoon, which netted \$44 for the Campus Chest drive, according to Joan Uhlrich, chairman. The total amount collected from the drive to date is \$460.44.

"We are pleased with the money raised from these special events, but the committee feels that the personal solicitation campaign was not as effective as it should have been," Miss Uhlrich said in an interview yesterday.

Persons who pledged money have until May 6 to fulfill their pledge, according to Miss Uhlrich. Additional revenue will be donated to the Campus Chest fund from the money collected at a box social between Sigma Kappa and Kappa Alpha at an exchange Wednesday, Miss Uhlrich said.

Individual breakdown on money collected is as follows: Faculty Auction, \$264.50; Car Wash, \$44; AWS sucker sale, \$40; personal solicitations, \$144. At a meeting of the solicitors earlier in the week \$10.50 was collected, Miss Uhlrich added.

## He who dances pays thru the nose

Graduates! We entered this dance four years ago, took our spin on the dance floor, and now we must pay the fiddler.

Yes, that's right. We now have to pay to leave by the rear exit, and this fee could be as high as \$47.

This isn't a gripe. It's more of an exclamation: "Yea, Gads, where will it come from?"

Here's where all the dough goes: \$7.78 goes to activities during senior week; \$2.22 for the sheepskin diploma; \$5 for alumni fee; \$5.50 for cap and gown rental (\$2 deposit included); 14 cents each plus tax for announcements; personal name cards, \$3.35 for the engraved type; and then a class ring, if wanted.

That's all, we think . . . we hope. To finance this outlay, more than one English 1-A book will be sold.

Yes, it's true, we do have to pay the fiddler, but come to think of it this e-du-cation (Fundamentals of spelling three quarters), didn't cost much anyhow.

So I guess the easiest thing to do would be to pay the fiddler's wages, even though it seems that he's getting more than union scale.

## India Wants U.N. Decision—Counsel

"All India wants is for the U.N. to decide who is the aggressor in Kashmir." These were the words of E. A. Srinivasan, Indian Consul General, at Tuesday's meeting of the International Relations Club in Room 20.

The Indian statesman said India will pull troops out of Kashmir if Pakistan does. He answered other questions on Indian policy, but requested that most of it be "off the record."

In preparation for the Model United Nations Session in San Francisco next week, the IRC will stage a mock General Assembly Session Tuesday night, May 3. Emphasis will be placed on parliamentary procedure and "political maneuvering." Gloria Lund, a spokesman for the club declared.

On Wednesday, May 4, 18 delegates will head for San Francisco.

## Rally Tryouts Set for May

The date set by the Rally Committee for song girl tryouts is Thursday, May 28, at 3:30 p.m., according to Shunji Ito, Rally chairman.

Nominations for Rally Committee officers for the coming year will be held on May 11, and election of officers will be May 18.

It was stressed by Ito that only those Rally Committee members in good standing will be eligible to vote for song girls, or to vote in the Rally elections.

## Thrust and Parry

### Just Names?

Dear Thrust and Parry:  
During the past couple of weeks there have been articles in the Spartan Daily about the survey of the Sophomore Class on the reasons for apathy in elections at SJS.

It is my opinion that there would be less apathy in elections if there were more knowledge of the background and aims of the candidates seeking office.

Sometimes the marking of a ballot is a matter of choosing one name or another, instead of choosing the most qualified person for the job.

My suggestion is to make it possible and necessary for candidates to give campaign speeches, and carry out other means of making their intentions and qualifications known. The posters don't always associate a name with a person.

The result of campaign speeches and other practices would increase interest in elections, and more intelligent voting.

ASHLEY COX—ASB 6984.

## Alpha Delta Sigma Members To Usher For CNPA Advertising Seminar Here

Members of Alpha Delta Sigma, national professional advertising fraternity, will usher at the Ad-

vertising Seminar to be held on campus next Friday and Saturday.

The seminar will be held under the auspices of the California Newspaper Publishers' Assn. in co-operation with the Journalism and Advertising Department.

Ninety advertising salesmen from newspapers and advertising concerns throughout the state have enrolled for the session.

The seminar is the first annual training and refresher program for newspaper advertising salesmen and others who would like to brush up on newspaper advertising procedure.

## New Buildings

VALLEY STAR, Valley Junior College, Van Nuys—New, modern one-story buildings will be the prominent features here in approximately two years, replacing the present squat "temporary" buildings that now make up the college.

## Job Mart

The Great American Group of Insurance Co., San Francisco, will hold campus interviews Monday from 9 a.m. to 5 p.m. Monday. It needs special agent trainees and junior underwriter trainees. Requirements include a college degree and a decided interest and aptitude for insurance.

H. C. Capwell Co., Oakland, will hold campus interviews Monday from 9 a.m. to 5 p.m. It is interested in junior executive and merchandising trainees and accounts payable assistant.

Southern Counties Gas Co. of California, East Los Angeles, will hold campus interviews from 9 a.m. to 5 p.m. Tuesday. It is interested in men under 25 years of age with degrees in business administration or industrial relations for staff trainees.

Students may sign up for these interviews in the Placement Office, Room 100.

## \$106 Request By Rifle Team Gets Refusal

The Student Council Wednesday refused a request from the college Rifle team for \$106 for aperture gun sites for their guns on the basis that the sites now on the guns were adequate for the remainder of the season.

They also decided not to allow \$30 more to Dr. Lawrence Moutat to provide refreshments for the high school National Forensics Tournament to be held on the campus in June. They appropriated \$42.50 for the tournament two weeks ago to be used wherever it was needed.

Giving \$150 a year to sponsor a school in Korea or some other foreign country where educational help is needed was also discussed by the Council. The money would be handled through the Save the Children Federation. The issue was postponed to find out if the class councils and student body were in favor of sending some ASB money for the project.

The Junior Class reported they were underwritten by the Council for \$168.86, \$150 of which was outstanding in a debt to the council before the Junior Prom.

## May Day Hey Day At Alum Rock Stars Tacos, Fun

"May Day Hey Day," Wesley Foundation outing at Alum Rock Park, will be held from 2:30 to 9:30 p.m. Sunday, according to Mary Ellen Myers, chairman.

A tacos supper and recreation will highlight the day's activities. Cost of the supper, which will be served at 6 p.m., will be 30 cents per person, Miss Myers said.

Serving on the committee for the outing are Mary Ellen Myers, chairman, Maureen Yale and Florence Hyde, recreation Paula Bland, program; and Alice Throckmorton and George Pierce, food.

## Measurements

### Start on Monday

Measurements for caps and gowns for seniors will be taken Monday, Tuesday and Wednesday at the Spartan Shop, R. M. Atkinson, Spartan Shop manager, announced yesterday.

A fee of \$5.50 must be paid when measurements are taken, he explained. Two dollars of this is a deposit that will be refunded when the cap and gown are returned, he said.

Personal name cards must be ordered next week, he emphasized, because no orders can be taken after May 6. Announcements will be available May 23. Announcements cost 14 cents each plus tax. Printed cards cost \$1.96 per hundred and engraved cards cost \$3.35 per hundred.

## Duncan To Travel To Modesto J.C.

Dr. Carl D. Duncan, chairman of the natural science division, will participate in a meeting tomorrow at Modesto Junior College regarding the relationship of junior college and state college programs.

Out of this meeting, a related curriculum will be established between the colleges in order to facilitate the counseling of students planning to attend state colleges, Dr. Duncan said.

## Presbyterian Club Schedules Picnic

The Presbyterian picnic, rained out last week, has been re-scheduled for Tuesday, from 4:30 to 9 p.m., at Alum Rock Park, announced Bob Poulson, chairman. The San Jose Westminster Foundation is sponsoring the event.

Swimming, supper, recreation and vesper services will highlight the affair, Poulson said.

Interested persons must sign up Monday at the Student Y. Cost of the picnic supper will be 50 cents. Swimming will be extra.

Transportation is by private automobile, with cars leaving the Student Y for Alum Rock Park from 4:30 to 6 p.m. on Tuesday.

## Summer Work For SJS Students

Accounting majors are needed for summer jobs.

Fire control aids are needed in Northern California.

There is a job available for a student who would like to take the place of a company's regular salesmen while they are on vacations. The job involves selling to established customers between San Francisco and Salinas.

Students interested in these and other summer jobs should contact Mrs. E. Hodson, part time employment secretary, at the Placement Office, Room 100.

### CAMP COUNSELING

Santa Clara Boy Scouts of America will hold interviews for camp counselors Monday from 2 to 4 p.m. They need a fellow to work with the camp cook, drive a truck and related jobs.

## Bears and Mr. Bunny Rabbit

Ever see the noted landmark up Cal way, known as the Campanile? Well, neither have I but I've seen pictures of it.) Anyhow, it has a thin, sharp copper spike some 307 feet above the ground, and one morning the Bears, as they were strollin' towards their classes, looked up and saw a pink and yellow rabbit 'way up on atop the spire. Well, now, stuffed rabbits just don't leap up and sit down on such things, and them Golden Bears figured someone must have put him there, Via helicopter, maybe?

## Expensive exams

Six coeds at Willamette U., up in Oregon, found that taking tests can be rather expensive. Seems that while they were busy racking their brains for the answers, someone was busy sacking their purses. Three of the missing lettuce carriers were returned the next morning, minus the green stuff, naturally, but the other trio are still among the losted. Detectives were put to work on the case to find the culprit. Morale? Don't take tests, they could be costly, in more ways than one!

## Anyhow, it rhymes

Now that Spring is here and the traditional seasonal bug is biting, maybe the following poem(?) from the University of North Dakota should serve as a word to the wise, but who's wise?

warm night	settle down
in June	married life
stars shine	happy now
big moon	got wife
in park	nother night
on bench	next June
with girl	stars shine
in clinch	big moon
me smart	no happy
me fast	no more
never let	baby cry
chance pass	walk floor
me say	wife mad
me lov	her fuss
her coo	me mad
like dove	me cuss
me say	life one
get hitched	big spat
her say	naggin' wife
o.k.	howlin' brat
wedding bells	realize
they ring	at last
honeymoon	me too
everything	damn fast

## Indians do it

Wanderin' through the Stanford Daily, what should hit the old eyeball but, and I quote: "A student at SJS sent a 'prose poem' to the Spartan Daily claiming that SJS looks into the great mirror of life and leaves not a reflection on it."

Even though it might be considered derogatory, it proves that the S.D. has circulation clear up in Paly. Anyhow, we still beat them in football!

## Them pore lil B'ars

We at SJS think we have it pretty rough, as far as blue cards are concerned, but up at Cal it's even rougher! They have to make a special trip to pick up their "cinch" notices, (same as our blue goodies) while we lucky stiffs (now, PLEASE, don't take me literally) get ours in the mail.

Ah, me, I was wishin' for a letter, anyhow. How about you?

They'll be arrivin' pretty darn quick now, ya know.

## Gosh, it's for free

'Way out among the swayin' palms and the swingin' hula gals, at the University of Hawaii, that is, the students have a chance to get a free trip to the local cinema. How? Simply by turning in a question and trying to stump the profs. If a question is used, a ducat is given, and if the profs can't answer, you can take a friend along.

Sounds like a good way to get back at some of these profs who are always pulling these nasty LITTLE sneak quizzes, huh?

## Atomic Expert At Oregon U.

OREGON DAILY EMERALD, University of Oregon—Dr. J. Robert Oppenheimer, who is considered to be the one man in the United States who knows all the facts of the development of the atomic bomb, spoke here last week on "Elements of Order."

This was Dr. Oppenheimer's second lecture to the university students. The first was entitled "The Sub-Nuclear Zoo; the Composition of Matter."

## Cal Poly Ponders Co-education Plan

EL MUSTANG, Cal Poly—Co-education here is now contingent on approval of the college's amended budget by the State Department of Finance and the Legislature.

There was no indication in a report, which was submitted by the State director of education to the director of finance in February, however, when the college would begin admitting women students, should the budget be approved.

Herman Wyatt holds the SJS high jump mark of 6 ft. 8 in., set in 1952.

# World Faces Four Causes In the Future

DAILY BRUIN, UCLA—"The University in the Atomic Age is of interest to all college students, for many of them will be alive in the year 2000," Dr. Fredric P. Woellner, professor of education, said recently.

According to Dr. Woellner, the world will have to face four causes in the future: an accelerated movement toward abundance of resources, the suppression of doctrinaires and the rise of instrumentalists, perpetual struggle for power and "one worldism."

In the light of these four causes, Dr. Woellner thinks that eventually the universities will go underground and we will return to a state of "primeval forest and oak field."

He went on to say that eventually, with the aid of more wars, 50 per cent of the population of the United States will be wiped out.

Dr. Woellner also foresees a University of California chain of giant universities and the disappearance of small colleges.

"Students should also receive a \$200 a month allowance similar to an old age pension for the facilitation of study without working."

## UCLA Trying To Clean Up Library

DAILY BRUIN, UCLA—A campaign led by the Student Library Committee is currently underway to encourage students to better the condition of the Library Group Study Room.

In the past several years, this area of the Library has become a recreation hall, rather than a place to study, according to the committee chairman. Students play cards, eat lunches and leave the room in a general state of disorder.

To correct the situation, signs are being placed on the table to remind students to dispose of their waste paper properly.

# Why do more college men and women smoke VICEROYS than any other filter cigarette?

## BECAUSE ONLY VICEROY GIVES YOU A PURE, NON-MINERAL, NON-TOXIC FILTER WITH 20,000 FILTER TRAPS IN EVERY FILTER TIP!

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.
2. Besides being non-mineral and non-toxic, this cellulose-acetate filter never shreds or crumbles.
3. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.
4. Smokers en masse report that filtered Viceroy's have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.
5. Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip . . . and Viceroy's cost only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROYS than any other filter cigarette . . . that's why VICEROY is the largest-selling filter cigarette in the world!

# Student Relates War in Manila

By JOHN RAYNOR

It's a long way from fish-heads and moldy rice during WW II in the Philippines, to the Phi Alpha Theta honorary history society, but Marvin Williams, 21, SJS Social Science junior, made the journey.

When Marv's dad, a U. S. Army career soldier, was killed on Corregidor in 1942, things looked pretty bad for Mrs. Pacita Williams, whom he had met in the Islands, and her six children. Marv, 8, was the youngest of the four boys and two girls.

Things were bad too, and for the next three years under Japanese occupation it was almost literally "dog eat dog." Occupation troops took first priority on all foodstuffs, and it became pretty much a battle of wits for survival among the inhabitants. Beg, borrow, or steal became the order of the day, and even the kids got pretty proficient at scrounging a day's rations. Marv reports seeing a waterlogged pig, seized, after floating several days in the river, as if it were some rare delicacy.

For entertainment, dog-fights in the skies overhead provided an almost daily spectacle. More than once the participants came crashing into the streets of Manila. When this happened, looting was rampant, and if anything of value remained it soon disappeared. Plane parts, articles of clothing, all were considered fair game.

Blackmarketing, with anybody, was readily practiced.

Things are better today, however, for the Williamses. After the war Mrs. Williams and her family moved to San Francisco, where her children, now grown, have done well.

One of Marv's brothers is a radar technician, another is with the Navy Communications Center, and the third works for a hotel chain. The two girls are married. Marv will be graduated from SJS with a degree in Social Science and a General Secondary Credential and plans to teach history.

When he gets to the Pacific phase of WWII in his teaching, he shouldn't have too much trouble remembering details.

## New Book Tells Courting History

Spring is here and, as it does every year, a young man's fancy, and all that. . . Anyhow the point is, if you're interested, why don't you pick up the book entitled "A History of Courting" by Ernest Turner. Maybe you'll pick up some different techniques.

This is just one of the 112 books which were just added to the library in their weekly purchase of new books.

## Youth Camp Builds Campus Leaders

Michigan's Camp Miniwanca, a Christian leadership training summer camp, has turned out a large percentage of Sparta's prominent student leaders, according to Sherry Nuernberg, chairman of the camp committee on campus.

Yesterday her committee selected two boys and two girls to send to this American Youth Foundation operated camp next August. They were chosen from the Freshman and Sophomore classes.

The tuition for the two week's session and part of the traveling expenses of those sent by SJS are paid by the Associated Student Body.

The camp's purpose is to train college men and women to contribute leadership and good citizenship to the nation's campuses. Campers come from all over the United States and, usually, from several foreign countries.

Shunji Ito, Rally committee chairman and Camp Miniwanca alumnus, explains that the camp stresses the four-fold development of personality, equal stress being put on the religious, social, mental and physical development of the individual.

Activities in each phase of the program helps the camper work to the goals of the program. Before the camp starts, aptitude tests are given to see how far along each camper is developed already in each field.

"During the two weeks you come to the realization that this four-fold development can be put to use effectively on campus in everyday life," Miss Nuernberg stressed.

The camp motto is "My own self, at my very best, all the time," she pointed out. The program boils down to helping the individual so he can help others by example and encouragement. Thus it provides a means to the end of learning how to help others through leadership, she explained.

see the Scandinavian countries and learn something about their people and institutions by visiting educational and social service institutions, cooperatives, farms, industries, museums and historical sites. Students will be able to meet outstanding leaders in education, government and economics and hear them lecture.

Miss Doris H. Linder, assistant professor of education, will lead the tour for the second consecutive year. A graduate of Stanford University with a MA in history, she also has attended Sociological Institute at the University of Stockholm, and the International Seminar of Austrian College of Alpbach, Austria.

"One of the most interesting points in the tour," Miss Linder feels, "is the one week that students live with students and teachers of Scandinavian countries." During that week, she said, the American students live in an adult education school on the Jutland Peninsula.

Besides attending study courses at Scandinavian universities, the group will have free time to explore Oslo, Stockholm, Copenhagen and many other smaller towns of interest, according to Miss Linder.

Two additional tours of two weeks each may be taken through England and the fiord country of western Norway, and through Holland, West Germany, Switzerland and northern France.

Transportation from the United States will be by plane. If only the 43 day tour is taken.

Cost of the tour, which gives 4½ units in Education 180 and 4½ in Social Science 180, is \$51.75 tuition and \$1050 for the 43 day Scandinavian tour. Each two week extension will cost an additional \$150, Miss Linder said.

Complete information on the tour may be obtained from Miss Linder in Apt. 3 or from the office of Joe H. West, dean of students.

## Contest Gives \$100 For Top Pictures

Campus shutter bugs have a chance to win up to \$100 by entering a photograph of a personality stand-out representing a campus type in a photography contest.

Rules for the contest, which closes May 16, state that entries must be made up of one 8x10 glossy photograph and a six-word caption. The name and address of the photographer and each student in the picture must accompany the entry. Both photographer and subjects must be enrolled at SJS.

There will be 31 chances to win a share of the \$1000 total prize money. All entries become the property of Liggett & Myers Tobacco Co., sponsors of the contest. Entries should be sent to Campus Merchandising Bureau, Inc., 299 Madison Ave., New York 17, N.Y.

## SJS Electronics Major Wins Science Honor

John R. Monser, senior Electronics Engineering major, was included on the National Science Foundation's recently-released list of fellowship applicants who received honorable mention in 1955.

The honorable mention has brought Monser inquiries from Notre Dame and the University of Washington concerning graduate work, and the Naval Research Laboratory in Washington, D. C. indicated interest in his future employment.

Monser, who is particularly interested in the field of computers,

said he probably would seek employment with a Bay Area firm.

Dr. Ralph J. Smith, head of the Engineering Department, praised Monser's work and expressed his belief that he shows great promise for success in engineering.

# Fresno State Smacks SJS Nine to Capture Series

## Hannah Allows Only Four Hits; King Homers

By ROD LEE

Fresno State continued its control over the Spartan nine yesterday, as the Bulldogs posted an 8-1 victory at Municipal Stadium to sweep the two game series.

Jack Hannah held the Spartans at bay with four-hit pitching and was never seriously in trouble. Eddie King saved San Jose from its second straight shutout with a 360-foot homer over the left field fence in the second inning.

"King's homer only cut the Bulldogs' lead as they had already pushed out in front, 2-0, on single runs in the top of the first and second.

Fresno added an unearned run in the fifth and then worked Spartan hurler Bill Kline for two more in the seventh and three in the eighth.

Only four of the Bulldogs' runs were earned off Kline, who went the distance. Kline allowed ten hits, walked three and struck out three, but was hurt by five San Jose errors.

Hannah whiffed nine Spartans while walking four.

George Read continued to clout the ball for Fresno, collecting three hits yesterday to give him six hits in ten times at the plate in the two games with the Spartans. He drove in one run Wednesday and four yesterday.

The Spartans swing back into action tomorrow when they go after their 14th win of the season against the hapless COP Tigers in Stockton. Reese Dick is the likely starter for the Spartans.

## Netmen Play In Tournament

Spartan netters will vie with the Santa Clara and College of Pacific tennis teams in the first annual tournament for schools of the California Basketball Assn. tomorrow on the Backesto Park courts at 10 a.m.

Each of the three schools has entered two men singles players and two doubles teams.

Spartan Coach Hugh Mumby has tentatively named Jack Darrah and Brick Fena to compete in the singles and the teams of Corney Reese and Bob Bell, and Harry Bruhn and Joe Norton to enter the doubles bracket.

## MPC Blanks Frosh

Monterey Peninsula College blanked the Spartababe netters, 6-0, yesterday in Monterey. It was the second straight loss for the Spartababes, who were tripped by Burlingame High, 7-1, Wednesday.

"ATTA BOY, EDDIE," say teammates Bob Borghesani, left, and Jack Richards, right, as Eddie King heads back for the dugout after having clouted a 360-foot homer in the second inning of yesterday's game with Fresno State. Doug Boehner trails the jubilant trio back to the dugout.

# Gymnasts Defeat Stanford Indians

The Spartan gymnasts, paced by Ron Phillips' 19½ points, downed the Stanford Indians, 43½-36½, in Spartan Gym last night. It was the third straight win for the Spartans, who are undefeated this season.

Jack Alberti scored 13 points and Ed Tryk tallied 11 for San Jose. Bruce Atkinson was top scorer for the Indians with 13.

Results:

## Judoists Seek PAAU Victory

Heavyweights Win Dahl, Larry Tambellini and Jack Crawford will lead the Spartan judoists in their bid for the Senior PAAU title Sunday at the Palo Alto YMCA.

Spartan second degree blackbelt Mel Augustine has been listed as a doubtful starter by Coach Yosh Uchida because of a rib injury.

Named to compete for San Jose in the team competition in addition to the heavyweights are 150-pounders John Sepulveda, John Perata and Bob McCorkle, and 180-pounders Ro Wauer, Jack Marlo and Don Edwards.

Roy Illes, Ron Flora, Steve Chesley, Steve Coppidge and Bob Salazar will enter the meet unattached.

SPARTAN DAILY 5

# Indians Challenge Spartan Thinclads

By JIM EGGERT

SJS's string of six straight track victories may be abruptly ended tomorrow when the Stanford Indians invade Spartan Field for the first time in history for a dual meet. Field events will start at 1:30 p.m., with the mile run starting track activities at 2 o'clock.

The Spartans haven't defeated the Indians in dual meet competition since 1947, although they outscored Stanford in a triangular meet in 1951 and in class "A" competition at the SJS all-comers meet last year.

On paper the Indians figure to win, but a healthy Spartan team could make it mighty close. As coach Bud Winter said, "It'll be like cutting a whale with a butter knife." This will be SJS' toughest meet of the year, but Winter said "this is the team than can do it."

However, we think that Stanford, rated one of the top teams in the nation, has a little too much for the Spartans, who may miss the services of Ray Goodwin, consistent point getter in the broad jump and high jump.

Meet records are in danger in both of the hurdle races. Stanford's Bernie Nelson (14.4) and Sparta's Ed Kreyenhagen (14.5) will both be after the meet standard of 14.5 in the high hurdles. Mickey Maramonte (23.3) and the Indians' Jim Luttrell (23.7) both have bettered the existing meet record of 23.8 in the lows.

Don Hubbard's Spartan Field record of 9:37.7, set earlier this year, and meet record of 9:37.3 both may be surpassed tomorrow. Chuck Strong and Wil King of Stanford both have run under this mark this season.

Stanford's mile relay team will be a threat to the field and meet marks, having bettered them both this year. SJS's Lynn Greene will

go after Bud Held's meet record of 227-5½ in the javelin, and Chuck Hightower may surpass O. W. Rhodes' meet standard of 14-1½ in the pole vault.

Spartan Daily Dope Sheet:

Mile—King (S); Strong (S); Berry (SJS).

440—Garrett (S); Albani (SJS), Spicer (S).

100—Brownsberger (S); Saras (S); Maramonte (SJS).

H.H.—Nelson (S); Kreyenhagen (SJS); Manchester (SJS).

# 'Once in a Lifetime' Opens Tonight in Little Theater

The fabulous, funny days of Hollywood in the revolutionary days of 'talky' movies will be re-enacted tonight as the Speech and Drama Department opens to a full house with "Once in a Lifetime" at 8:15 p.m. in the old Little Theater.

The Moss Hart, George S. Kaufman satire on the antics of cinema country characters is directed by John Kerr, associate professor of drama.

Leading the cast are Sandra Tebo, Kenneth Rugg, Darwin Hageman and Leslie Robinson. The four portray, respectively, an opportunist trio of New York dancers and a typical Hollywood columnist.

The plot deals with an unlikely combination of strictly movie land inhabitants, the trio of 'outlander' hoofers and, to top it, India nuts. The play begins when the dancers realize the importance of teaching silent movie stars to speak correctly.

Descending on Hollywood, they prepare to launch a school of articulation, with the help of movie columnist Helen Hobart.

It is when the unforeseen deluge of Hollywood columnists, directors and actors frustrate the attempts of the trio that India nuts unexpectedly come to their rescue.

Performances will continue Saturday and May 4, 5, 6 and 7. Tickets still may be obtained in SD-100 from 1-5 p.m. for May 4 and 5, according to Miss Helen Minetta, secretary. Price is 75 cents general admission and 50 cents student.

## Music Group Gives Concert

The SJS chapter of Mu Phi Epsilon, national music sorority, will present its quarterly concert Tuesday at 8:15 p.m. in the Music Building Concert Hall.

The program will include classical and romantic selections, as well as several pieces by modern composers. Performing in the concert will be Karin Kahl, Marion Harp, Phyllis Heim, Valarie Nash, Joanne Trallis, Bonnie Robertson, Betty Swanson, Barbara Wells, Iris Mann.

The concert is open to the student body and the public free of charge.

## Former Drama Student To Try Luck in Movies

By CAROL LUCAS

Gerald Charlebois, recent SJS graduate in Speech and Drama, has a date in Hollywood this weekend which may open the door to a motion picture career.

The opportunity came a fortnight ago when the former student was co-starring in "The Four Poster" at Montalvo. It was then that the director, Lillian Fontaine, introduced Charlebois to her son-in-law, Collier Young, and his wife, screen star Joan Fontaine.

Young, head of Film Makers Company, was so impressed with Charlebois that he invited him to read for a part in a suspense-

drama that he is now writing, "The Firebug," to be produced soon.

When asked how he felt about his opportunity, the actor replied, "Of course I'm tremendously excited about it, but I'm trying not to be too optimistic. I don't want to lose sight of the fact that competition is strong down there and that I'm just another hopeful trying to penetrate the ranks of successful performers."

Charlebois, who has done no movie work, feels that "the medium is tremendous, because it affords an actor an opportunity to watch himself, and by so doing he can correct his mistakes."

# SJS Symphony Performs Sunday

The SJS College Music Department will present its 300-voice Choral Ensemble and the college Symphony Orchestra in Horatio Parker's "Hora Novissima" at 3:15 p.m. Sunday in the Morris Dailey auditorium. Dr. Karl Ernst, chairman of the Fine Arts Division, will be guest conductor for the afternoon concert.

## 10,000 Students To Visit SJS During Week

Approximately 10,000 high school and junior college musicians will descend on the SJS campus next week to participate in two separate music events.

Some 800 of these students from 14 junior colleges will use the campus facilities Monday for a Junior College Choral Conference. The choral groups will sing in Morris Dailey Auditorium and in the Music Building Concert Hall from 1:15-3:30 p.m.

The combined choruses will present "The Last Words of David," by Randall Thompson, in the Morris Dailey at 3:30 p.m. Monday evening, the SJS Music Department will present a program for the visitors in the Concert Hall. The A Cappella Choir, directed by William J. Erlendson, and several student soloists will be featured during this program.

From 9,000 to 10,000 high school and junior college students will participate in the Northern California State Music Festival next Friday and Saturday, May 6 and 7.

G. Gibson Walters, associate professor of music at SJS and Chester Mason, director of music education for the San Jose city schools, are co-chairmen for the festival.

The Choral Ensemble has been rehearsed and prepared by its director, Gus Lease, assistant professor of music. Miss Maurine Thompson, also of the Music Department, has trained the soloists and small ensemble groups.

Soloists will be Joanne Trallis, soprano, Bonnie Boline, contralto, John Morrison, tenor and Richard Styles, bass. A quartet to be heard in the oratorio will include Shirley Swallow, soprano, Miss Boline, contralto, Roy Hendricks, tenor and William Schnieder, bass.

Before joining the college faculty last September, Ernst was supervisor of music in the Portland, Ore., public schools for 11 years.

## Students Compete In Take Tourney

Two students are representing SJS today and tomorrow at USC in a tournament of champions, the Pentathlon Debate, according to Dr. Lawrence Mouat, forensics director.

Miss Edith Alcock and Miss Joyce Osborn will participate with 46 other contestants in five speaking events. Twenty-four schools are represented by their top speakers and debaters.

Speakers will compete in extemporaneous speaking, after-dinner speaking, manuscript reading, script recitation, and debate symposium. The Pentathlon will be judged by the forensics directors from the schools.

Dr. Mouat will accompany the girls.

## ALPHA OMICRON PHI

Mariani's has been chosen as the setting for the annual Spring Cotillion, Friday May 6. Theme for the dance will be "Paris Holiday" and music will be provided by Buddy King and his orchestra.

## ALPHA PHI

"Election Time" was the theme of the Alpha Phi and Theta Chi exchange held Monday night at the Alpha Phi house. Entertainment was provided by Dick Garvin and Chuck Gingold.

## DELTA SIGMA PHI

Life just hasn't been the same around the house since a new asphalt back yard was put in. Seems volleyball has become the official pastime, which is nice, but games continue at all hours of the day and night and in all kinds of weather. Plans for a lawn, barbecue area, and a recreation room also are in progress.

## DELTA UPSILON

Members of the fraternity are putting the finishing touches on preparations for their annual spring formal, the "Full Moon Ball." The dance will be held from 9 to 1 a.m. tonight at the Diablo Country Club. More than 85 couples are expected to attend. Four new members were initiated in ceremonies at the chapter house. Those receiving pins were Bob Borghesani, Ronald Portal, Paul Sakamoto and Louis Vaught.

## GAMMA PHI BETA

Pledges recently took their sneak at the Gamma Phi house and captured nine actives. Those captured were Noreen Doyle, Peggy Wooden, Jeannie Goodloe, Claire Caletti, Dot Rich, Marion Lasher, Shirley Wallace, Marilyn Miller and Bev Boe.

## KAPPA ALPHA

Kappa Alpha initiated three new members and a new adviser, Major Dean Bressler, associate professor of Military Science at SJS. Initiated were Bob Swanson, Jim Beadnell and Jim Lacy, who was voted outstanding pledge. A banquet at the fraternity house followed the initiation.

## KAPPA ALPHA THETA

The Kappa Alpha Theta's recently received an unusual letter from Dean Benz. The "message" consisted of a lump of sugar taped to the Dean's letterhead stationery and addressed "Dear Theta's." It seems last week, while the Theta's were entertaining Dean Benz and other students and faculty members of the College Life Committee, someone unwittingly filled the sugar pitcher with salt. The error wasn't discovered until the several guests tasted their coffee.

## "TWINKLE TOES?"

When presidential candidate, Don Hubbard, and his campaign manager, Phil Trowbridge were dining at the Theta house Monday, the girls casually suggested that the boys provide some entertainment. Both "Twinkle Toes" Trowbridge and "Swing-

in" Hubbard were equal to the occasion, and leaped on a nearby table for their rendition of the Can-Can. (Ah... the Follies were never like this!)

## KAPPA KAPPA GAMMA

Members of Kappa Kappa Gamma chose Betty Pearson as president in recent officer elections. Other new officers are: Eleanor Rice, vice-president; Patti Kaser, recording secretary; Jan Wilson, corresponding secretary; Nan Jean Holt, registrar; Joan Odell, marshal; Sherry Nuernberg, pledge trainer; Patty Smith, assistant; Margaret Mitchell, house chairman; Barbara Morton, treasurer and Carol Rucker, scholarship.

Barbara Bennion, activities; Bobbie Bonne, public relations; Sue Ann Zimmerman, senior Panhellenic representative; Nancy Burke, assistant; Barbara Tedford, music; Claire George, historian; Jackie Harth, membership; Tootie Irvin, social chairman; and Marilyn La Teer, efficiency chairman.

## PI KAPPA ALPHA

Charles Byrd, national traveling secretary of Pi Kappa Alpha recently visited the local chapter for several days in his inspection tour of the fraternity's west coast chapters.

Members recently held their quarterly pledge dance in honor of new members, Dick Roza, Tony Ochirero, Al Corral, Bill Rahming and Gil Norquist.

## PHI SIGMA KAPPA

Frank Scriven, district deputy of Phi Sigma Kappa, was honored at the chapter house at Monday night dinner and meeting. Ray Cogo also was honored as outstanding pledge of the winter quarter. Plans are being made for the district conclave at Davis this weekend which will be attended by 17 members of the fraternity.

## ATTENTION GOLFERS

Final plans for the first All-College Golf Tournament May 9-13 are being made by Phi Sigma Kappa. A special handicap system will be used and there will be trophies given for the faculty division, fraternity team play, and the best novice score. The tournament will be played at the Hillview Golf Course. More information later.

## SIGMA CHI

An open house for parents and friends was held at the chapter house last weekend. Over 125 guests attended and were conducted on a tour of the campus, followed by fireside chats, and a barbecue dinner.

## ATTENTION CAMPUS ORGANIZATIONS

"Strictly Sparta" is a weekly column of SJS news and appears every Sunday in the San Jose Mercury. Any contributions from campus organizations, fraternities, sororities, independent living groups, or individuals may be turned in to the Public Relations Office. News for the following Sunday must be turned in before 1:30 p.m. the previous Monday.

## Finds New Parents

KIM DUK JOO  
... sorority child

## Theta Project Aids Refugee Through Mail

The Kappa Alpha Theta's have become parents! Members of the sorority recently "adopted" 10-year-old Kim Duk Joo, of Kanwha Dong Pyng Namdo, North Korea, through the Foster Parents' Plan for War Children.

Foster parents are asked to contribute \$15 monthly towards the child's support and correspondence through the Plan Office is encouraged. The organization has cared for more than 75,000 war children and is operating in eight foreign countries.

Duk Joo was born in North Korea, and the family lived there until shortly after the Korean War began. When her father was killed, Duk Joo, her mother and her two brothers fled southward with thousands of other refugees. During reoccupation by United Nations forces, the family returned to their town and the mother cooked for the ROK army. Later when the UN forces evacuated the town the mother and children were driven out and went to Seoul, where they lived in a deserted house until the Chinese invaded the city... again they moved, this time to Taejon.

The elder boy now works as a janitor in a hospital and the mother is employed in sewing work. With the aid of the Plan and her new foster parents, Duk Joo is now able to attend school, taking the strain off the small earning brought in by family members.

## Dr. Leslie To Talk To Church Group

Dr. Robert C. Leslie, professor of pastoral psychology and counseling, Pacific School of Religion, will speak at the Methodist Student-Faculty Banquet to be held Saturday at 6:30 p.m. in the Social Hall of the First Methodist Church, 24 N. 5th St.

His topic will be "Convergence in Religion and Psychology."

Deadline for purchasing tickets for the affair is Thursday. They are available at the Graduate Manager's Office, Wesley Foundation and Student Y. Cost is 75 cents for students and \$1.25 for adult sponsors.

## Camp Counselling Sign-ups Taken

Sign-up for students interested in participating in the "Camp Counseling" discussion-lecture series is now underway, with registration sheets available in the Outer Quad and at the Student Y, according to Connie Groppe, chairman. A fee of \$1 will be charged for the five lectures.

First in the series of lectures, co-sponsored by the Student Y and Co-Rec, will be held Tuesday, from 7 to 8:30 p.m., in Room 22 of the Women's Gym.

The program is designed to help those students who plan to be engaged in camp counseling this summer, Miss Groppe said.

## Sale of Yearbook To Conclude Soon

Students are reminded to purchase their copies of La Torre this week in the booth in the Outer Quad as this will be one of the last chances to purchase them, according to Jim Cottrell, sales manager.

The yearbooks sell at \$6 in full payment of \$4 down and the balance to be paid before May 31. Students may also purchase their copies of La Torre in the Graduate Manager's Office.

## Hospital Dance Open to Students

The student nurses are having a dance, starting at 8 o'clock tonight in the Nurse's Hall, Santa Clara County Hospital, and everyone is invited, according to Miss Peggy Long, publicity chairman.

Admission to the dance will be 75 cents for couples and 50 cents stag. Music will be furnished via records and dress for the affair is sport, Miss Long said.

## Librarians Plan Vallejo Journey

Five librarians will journey to Vallejo Saturday to take part in the Golden Gate District of the California Library Assn. meeting, according to Miss Joyce Backus, head librarian.

"Intellectual Freedom" will be theme of the meeting, Miss Backus revealed.

Librarians planning to attend are Miss Helen Bullock, Miss Barbara Bent, Robert B. Torgny, Fred M. Steven and Miss Backus.

## Wives Meet Today

Coffee and tea will be served at the Faculty Women's Club House today from 12 noon to 1 p.m. Hostesses will be Mrs. Helen Stevens and Miss Dora Smith. All Faculty Women Club members are invited to bring their lunches.

## SIGMA KAPPA

Ten members were initiated last weekend in ceremonies at the chapter house. Initiates include Carole Azeveda, Gayle Grisham, Carol Holmes, Carole Hunter, Glenda Merrick, Pat Miller, Kay Millen, Leta Noonan, Mary Rutishauser and Gwen Phillips. Gayle Grisham was named outstanding pledge.

## Rabbi Gitin Speaks to Seniors On 'Intelligent Responsibility'

Rabbi Joseph Gitin was principal speaker at senior briefing class yesterday. His talk, "Our Intelligent Responsibility to a Supreme Being," was very well received.

He called for elimination of the word "tolerance," which he defined as "Enduring a poison with impunity. Man's main responsibility to his Supreme Being," he

emphasized, "is man's responsibility to man."

James Jacobs, senior class adviser announced: "Next week Dr. George Muntz will address the group on 'Your Responsibility to Yourself.'"

Speakers are still invited for graduation activities.

Three minute periods are allowed for student body campaign talks.

Job prospects were announced by Dr. Eleanor Coombe, senior class co-adviser.

## Ten Girls Compete In 'Bride' Contest

Members of Delta Sigma Phi recently began their search for "King Neptune's Bride" with a buffet supper held at the chapter house. The section of Neptune's Bride from 10 contestants will highlight the sixth annual "Sailor's Ball," May 21.

This year's candidates are: Patti Cordano, Alpha Phi; Barbara Priest, Chi Omega; Virginia Webster, Alpha Chi Omega; Carolyn Kirby, Alpha Omicron Pi; Dorinda Jones, Delta Gamma; Jackie Gump, Delta Zeta; Nancy Hand, Gamma Phi Beta; Sue Leusley, Kapa Kappa Gamma; Bonnie Soe, Kappa Alpha Theta; and Glenda Merrick, Sigma Kappa.

## Rain Delays Work On Spartan Shop

Construction of the new Spartan Shop has been resumed after several days delay because of rain, according to John H. Amos, director of buildings and grounds. Brick laying has been nearly completed on the east and south walls, Amos said.

Roofing beams are now being installed.

## 104th Anniversary

UNIVERSITY OF SANTA CLARA—The Broncos recently celebrated their 104th anniversary with the traditional pilgrimage of faculty and student body to the Grotto of St. Joseph in the Mission Gardens.

St. Joseph, patron saint of the university, was chosen protector of the school on the day of its founding—March 19, 1851—by the school's first president, the Rev. John Nobili, S.J.

As March 19 occurs during the Lenten season, the event is celebrated on the Feast of the Solemnity of St. Joseph, thus the April 27 celebration.

## Meetings

**Channing Club:** "Unitarians Ask?" panel discussion Sunday at 7:30 p.m. in the Fireside Room, Unitarian Church.

**Student Y:** Barn dance tonight in the Women's Gym, 8-12 p.m. Admission for girls is box lunch. Fellows free.
